

Blair Lifestyle Management Pty Ltd operates two brands. Blair Lifestyle Management and Green Apple Organising.

Blair Lifestyle Management is a Lifestyle Management and Professional Organising service. Our Lifestyle Management team work with our clients, very busy individuals who do not have time to complete everyday tasks and errands. These tasks range from sourcing a domestic cleaner through to organising a luxury event on a private island and everything in between. Whatever our client require our team will carry out the task or source a reputable service provider.

Our Professional Organising team assist clients in the de-clutter and re-organisation of living and working environments. Our team work with clients to sort through belongings, create systems and provide ongoing support to assist them in maintaining their organised space. Our clients set their own organisational goals and we help achieve them.

Through all that we do, our mission is to create more space and time for our clients by providing a superior service. Blair Lifestyle management is really the ultimate in outsourcing.

[Green Apple Organising](#) *"The Marketplace for fresh organising ideas in bite size pieces"*. Green Apple Organising is a destination store offering organising product, information and education.
